As you answer the following questions, please keep in mind that Grace Clinic operates as a Free Clinic and has limited resources. We are staffed mostly by volunteers and do not provide many of the services offered in a traditional medical, dental or counseling office. Because of this, we do not treat the following conditions:

- Chronic Pain
- New or Ongoing Cancer Treatment
- Blood Clotting Disorders
- Routine Pap Smears
- Hormonal Disorders
- Other conditions as determined by our medical provider(s)

Additionally, we do not prescribe or dispense controlled substances or narcotics.

If you have any of these conditions, please stop here and notify the receptionist.

Please note: We have interpreters to assist those who prefer to communicate in Spanish. If you bring an interpreter with you, s/he must be over the age of 18 and able to speak English fluently.
