

COMMUNITY CO-PAY

\$35 per month covers
one patient's care for
a year

WHO WE ARE

- Founded in 2002
- **Only free clinic** in Tri-Cities
- Medical, dental and mental health services for the **uninsured and underserved**
- Care provided **primarily by volunteers**
- Increasing numbers of patients means increased costs for the clinic.

**FREE
HEALTHCARE IS
NOT WITHOUT
COST.**

Even with extensive volunteer service, there are still hard costs such as lab fees - our second largest monthly expense.

WORKING BUT NO INSURANCE

Most are working...on farms, in restaurants or retail. But they cannot afford the skyrocketing cost of healthcare.
